CATERING SERVICES

Maybe you have a lot of company. Maybe you have a meeting. Maybe you're just
too darned tired to cook. We don't ask questions. We just show up with your
food and serve it, or get it ready for you to pick up. And if you tell all your friends
you made it yourself, we'll understand. If we couldn't already take credit for
our great food, we'd try to find a way to do so. So sit back, take a deep breath,
let us know what you want to eat, how much you want to eat, and when and
where you would like to eat it. We'll take care of the rest.
